Dear David:

I wanted to express my thanks to you for participating in the 18<sup>th</sup> Annual National AAPI Conference in New York City last week. Your program on asset protection, tax and estate planning was very well received. These are important subjects which many of our members have a keen interest.

I know that some of our members have wanted a similar talk at their AAPI meetings locally. I would encourage leaders of local AAPI chapters to bring you in, especially as you can offer Category I CME credits to your attendees. This is extremely valuable for our members.

Once again, thank you for participating in our National Conference; I look forward to speaking with you about a talk for our local New Jersey AAPI chapter in the near future.

Sincerely,

  
Virender Sethi, M.D.  
Convention Chairman
