Dear Mr. Mandell:

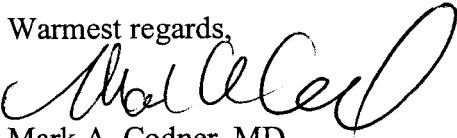

Thank you for participating as a Teaching Course Instructor during The Aesthetic Meeting 2006.

The consistent high quality of the courses is a primary factor in the meeting's success and we certainly appreciate your part in helping us maintain these standards. The Aesthetic Society is extremely fortunate to have dedicated individuals, such as you, who are willing to contribute their valuable time and expert knowledge to our scientific program. Having participated in the preparation and presentation of teaching courses ourselves, we fully appreciate the immense effort that you have made.

The Central Office will be compiling the evaluations for your course and a copy of the report will be mailed to you. Based upon the information contained in the participant evaluations, we will begin the planning process for next year's annual meeting.

Once again, thank you.

Warmest regards,

Mark A. Codner, MD
Teaching Course Subcommittee Chair
