Dear Chris:

On behalf of the UCLA Alumni Association and UCLA Anderson Alumni, please accept my heartfelt thanks for your participation as a speaker at the 2005 UCLA Women's Conference on January 29.

As you know, this event brought alumnae together to be inspired, to be motivated and to broaden their own network. As a presenter, you played an instrumental role by providing thought-provoking information to our guests. I hope that you had a positive experience and enjoyed being a part this day.

We have received overwhelmingly positive feedback from the attendees. Many of them commented how impressive each of the speakers was and how much they benefited from the presentation. I thank you for being a part of this tremendous success.

Warmest regards,

Eleanor Brewer M.B.A. '86  
President, UCLA Alumni Association  
Past President, Anderson Alumni

*You had so much to share, we should have given you more time!  
Many thanks.
